

SATISH KUMAR MAHTO

Cybersecurity Analyst | SOC Analyst | Digital Forensics | VAPT

Phone: +91-8294113807 | **Email:** satishkm9@gmail.com | **LinkedIn:** <https://www.linkedin.com/in/satishkrmahto/>

Website: <https://satishkm009.github.io/satishkm.009> | **Location:** Bokaro, Jharkhand, India

PROFESSIONAL SUMMARY

Cybersecurity Analyst with hands-on experience in SOC monitoring, threat detection, incident response, vulnerability management, VAPT, OSINT, IDS, and digital forensics. Focused on identifying security risks, supporting investigations, and improving security operations.

CORE SKILLS

Security Operations: SOC, Threat Detection, Incident Response, Vulnerability Management, IDS

Tools: Metasploit, Wireshark, Nmap, Burp Suite, Linux, Bash, Python

Forensics & Compliance: Digital Forensics, OSINT, Evidence Handling, ISO 27001, HIPAA.

PROFESSIONAL EXPERIENCE

Cybersecurity Subject Matter Expert

UrDoer | Remote | January 2022 - Present

- Threat intelligence, vulnerability management, incident response, and penetration testing labs.
- Mentored 200 students; contributed to 10 cybersecurity research papers.

Cyber and Digital Forensic Intern

Cyber Crime Police Station, CID, Ranchi | Ranchi | September 2021 - December 2021

- Digital evidence collection, preservation, analysis, and cybercrime investigation support.
- Participated in live digital forensics investigations and evidence review activities.

PROJECTS

AI-Based Intrusion Detection System (IDS)

Remote | November 2025 - December 2025

- Developed a machine learning-based intrusion detection system to identify zero-day cyber-attacks using anomaly detection techniques and ensemble models.
- Improved attack detection accuracy and reduced false positives compared to traditional signature-based IDS approaches.

SOC Monitoring Tool

Remote | January 2026 - February 2026

Built a SOC monitoring tool for log monitoring, alert triage, threat detection, and incident response support. Improved visibility into suspicious activity and security events.

EDUCATION

M.Sc. Cybersecurity | Amity University, Rajasthan | August 2021 - June 2023 | CGPA: 7.32

Bachelor of Computer Applications (BCA) | Amity University, Jharkhand | August 2018 - June 2021 | CGPA: 7.86

ADDITIONAL INFORMATION

- **Cybersecurity CTF:** Ranked Top 10 (Amity University, Ranchi)
- **Vulnerability Discovery:** Hall of Fame recognition by Lucid Motors and SitePlus
- **Languages:** English, Hindi, German (Intermediate).
